

**REMARKS**

The Notice of Drawing Inconsistency with Specification mailed May 25, 2007 has been carefully reviewed and the foregoing amendment has been made in consequence thereof.

By the above amendment, Applicants have amended the Brief Description of the Drawings in the specification to include a brief description of Figures 7 and 8. No new matter has been added. Applicants submit that the above amendment resolves the alleged inconsistency between the drawings and the Brief Description of the Drawings and notification to that effect is respectfully solicited.

In view of the foregoing amendment and remarks, all the claims now active in this application are believed to be in condition for allowance. Reconsideration and favorable action is respectfully solicited.

Respectfully submitted,
